

REMARKS

Claims 1 - 16 are in the case. Claims 3, 6- 7, 9-12, are being amended.

The present preliminary amendment is submitted in order to eliminate multiple dependencies between the claims and to make changes in the specification by inserting paragraphs relating to a prior art. Should be there any multiple dependent claims remaining, such remaining multiple dependent claims are to be deemed as treated as canceled by the applicant.

Entry of the above recited corrections prior to calculation of the fee is respectfully requested.

Respectfully submitted,
Gunther Rogoll et al.
